

Come celebrate Chanukah with Temple Emanu-El!

Festival of Lightness with Noah Aronson

The Festival of Lightness is a music festival with live performances, workshops and classes during the week of Chanukah, in celebration of channeling our brightest selves when the world needs it most! All events will be led and presented by Noah Aronson, a composer and performer whose work has been called soulful, energetic and inspiring (in partnership with BeMajor).

From December 12th through 17th, Noah Aronson will be performing 3 live virtual concerts and teaching 3 virtual workshops and giving away lots of free music! Come join our Festival of lightness and help us increase the light this Chanukah!
