

Bulletin Article Summer 2024

Long days by the pool and at the beach. Warm nights by the fire pit listening to music from Ocean Beach. Soaking up every last moment with my college graduate. Stealing time with my teenage son and hubby, too. This is how I plan to spend my summer...when I am not cleaning classrooms and working on next fall's curriculum with our fabulous staff. Summer is a time to relax and rejuvenate. However, rejuvenation takes many forms. For me, much of the summer will be spent with high school volunteers reorganizing our school spaces and planning meaningful new programming for our fall and winter school months. I am already looking forward to our Fall Open House and school hasn't even been out a month yet. Ah, ...I miss my students. I miss my teachers. I miss my faculty assistants. I miss my families. And I miss Amy.

The weeks are not the same without Amy working by my side. The office is quiet. Thankfully, I have Roberta, Hazzan Sherry and Rabbi Marc to work with me and guide me along my escapades as I lead this spiritual journey for students and staff into the next school year. I have many things in my bag of tricks this coming year. My hope is to focus on adventure through connections. Together we will make wonderful discoveries about ourselves, each other, the past, and maybe even the future. I hope to bump into many of you around town or at temple, but if I do not...relax and enjoy meaningful experiences this summer. You and your family deserve all the goodness you can soak up! Soon enough we'll be back together making great connections and sharing about all our summer adventures.

In the meantime, you should have received your 2024-2025 Temple Membership packet and religious school forms. Please try to return them by July 15, 2024, especially if you would like to be on a monthly or quarterly payment plan. If you have not received your renewal forms, please contact Roberta.

Shalom,

Miss Lisa
